(If you cannot fit all of the defendants' names in the space provided, please write "see attached" in the space above and attach additional sheets of paper, as necessary, with the full list of names. The names listed here must be identical to those in Section II. Do not include addresses here. **Individuals whose names are not included in this section will not be considered defendants in this action.**)

**WARNINGS**

1. Do not use this form if you are challenging the validity of your criminal conviction or your criminal sentence. If you are challenging your conviction or sentence, or if you are seeking restoration of good-time credits that would shorten your sentence, you must file a Petition for Writ of Habeas Corpus. If you use this form to challenge your conviction or sentence, you risk having your claim dismissed. Separate forms are available for filing a habeas petition.

2. Under the Prison Litigation Reform Act ("PLRA"), you are required to exhaust all remedies in your institution's grievance system that are available to you before filing suit. This generally means that you must file a grievance and, if it is denied, appeal it through all available levels of review. Your case may be dismissed if you fail to exhaust administrative remedies, unless the administrative grievance process was not "available" to you within the meaning of the PLRA. You are not required to plead or show that you have exhausted your claim in this complaint.

3. Please review your complaint carefully before filing. If your case is dismissed, it may affect your ability to file future civil actions while incarcerated without prepaying the full filing fee. Under the PLRA, a prisoner who has had three or more civil actions or appeals dismissed as frivolous, malicious, or for failure to state a claim cannot file a new action without first paying the full filing fee, unless the prisoner is in imminent danger of serious bodily injury.

4. Under Federal Rule of Civil Procedure 5.2, papers filed with the court, including exhibits or attachments to a complaint, may not contain certain information, which must be modified as follows:

Do not include:

- a full social security number
- a full birth date
- the full name of a minor
- a complete financial account number

Instead, use:

- the last four digits
- the birth year
- the minor's initials
- the last four digits

5. You may, but do not need to, send exhibits, affidavits, grievances, witness statements, or any other materials to the Clerk's Office with this complaint. Any documents you submit *must relate directly to the claims you raise in this lawsuit*. They will become part of the court record and *will not be returned to you*.

## **Suit: Google tracking violates federal law**

Google violated federal wiretap laws when it continued to collect information about what users were doing on the internet without permission even though they were browsing in private browsing mode, according to a lawsuit filed against the internet giant on Tuesday.

The lawsuit, filed in U.S. District Court for the Northern District of California, said Google intercepts the contents of communication between users and websites by collecting browsing history, web addresses and search queries.

The lawsuit was filed on behalf of three people with Google accounts.

### III. STATEMENT OF CLAIM(S)

*In this section, you must explain what you believe each defendant did to violate your civil rights, and if you know, identify the federal statutory or constitutional right you believe was violated.*

*If you believe the defendant(s) violated your civil rights in more than one way, explain each violation under a different count. For example, if you believe you received constitutionally inadequate medical care and your religious rights were substantially burdened, include one claim under "Count I" (i.e., medical) and the other claim under "Count II" (i.e., religion).*

*Number your paragraphs. For example, in Count I, paragraphs should be numbered 1.1, 1.2, 1.3, etc., and in Count II, paragraphs should be numbered 2.1, 2.2, 2.3, etc. The first two paragraphs of each Count have been numbered for you.*

*If you have more than three counts, attach additional pages and follow the same format for each count.*

*If you attach documents to support the facts of your claim(s), you must specify which portion of the document(s) (i.e., page and paragraph) you are relying on to support the specific fact(s) of your claim(s). If you do not specify the portion of the supporting document(s), the Court may disregard your document(s).*

#### COUNT I

*Identify the first right you believe was violated and by whom:*

1.1 14<sup>th</sup> Amendment: All Government Officials, Local Officials, Entities, Companies, and Person's Listed as Defendants. Quinn v. Shirley, 293 F3d 315 (6<sup>th</sup> Cir)

*State the facts of your first claim below. Include all the facts you consider important. Be specific about dates, times, locations, and the names of the people involved. Describe exactly what each specific defendant did or failed to do that caused you injury or violated your rights, and include any other facts that show why you believe what happened was wrong. If you need additional space, you may attach extra sheets.*

1.2 On 10-19-18 I DERRICK QUINN JONES, was falsely arrested for (UPCS) unlawful possession of a controlled substance and drug loitering.

1.3 I came to 14<sup>th</sup> and MLK Jr. way in Tacoma Wa.

I saw a crowd of people that I knew and know standing in the middle of the block, I processed to walk toward them, as I walked toward them I stopped and bent down, when I got to the crowd I started talking to the individuals that were there, George, Cathie, Miss Brinda, Darnin and a few others that were there.

1.4 A few of the individuals had money for me from dealings we have had. I gathered the processes and walked over to a red car that Andi was sitting in acrossed the alley.

1.5 At the car Andi asked me if I could read this court paperwork that she had, I said, I would read the paperwork, as I leaned into the red car to grab the paperwork seven Tacoma Police vehicles came from different directions, I stepped away from the car with paperwork in hand.

State with specificity the injury, harm, or damages you believe you suffered as a result of the events you described above in Count I. Continue to number your paragraphs.

My character as a child of GOD, a Human a person a Individual and a U.S. Citizen has been Defamated, Slander, Vilified and Defecated apawn International!

### Extra sheets from statement of facts.

1.6 An officer (officer mosses) approached me and asked me for my I.D., I placed the paperwork back in the car. I turned to officer mosses, and said no I will not show you my I.D.. I asked officer mosses what for? (I have a right to ask for a reason in Washington state) I asked, am I being arrested? the officer said NO, I asked, am I a suspect in a crime? the officer said NO your NOT.

1.7 The officer said matter of fact put your hand behind your back! you are being detained! I complied. As I was being detained, the other officer were questring, searching, and running the names of the individuals I had had prior contact with. All were found to have no drugs, NO ONE said I sold them anything, there was no marked money which I had \$242.60 on my person and everyone was clear always (except for an individual name Bruce, who was arrested with me) The officers search the area, even where I bent down at.

1.8 Officer mosses searches me and find, NOTHING! NO drugs, NO mark money or anything that could of been perceived as drugs in his thorough search of my person on scene!

1.9 officer mosses, placed me his vehical and stepped away from the vehical and began talk on his radio, on the other end of the radio was Gang task force leader and FBI liaison John Ringer as well as the task force

Extra sheets from statement of facts unit, with Tacoma Police Sgt. Johnson. John Ringer instructed Sgt. Johnson to have officer mosses arrest me for (upcs) and drug loitering. Officer mosses returned to the vehicle and informed me that I was being arrested for upcs and drug loitering, I began to dispute the charges! there were no drugs found, there was and still is no signage stating NO LOITERING. (The statute for drug loitering is: A person has to be stationary for five minutes or more, while in the act of promoting or selling drugs! as well as notification i.e. signage, wordage etc etc.) In that location, He didn't consider my statements! He informed Bruce he was going to jail for a warrant. He drove us to Pierce County Jail and booked us.

1.10 I Booking officer at the Pierce County Jail, had me go through the booking process and then had me go to a holding cell, and before he handed me my jail clothing he had me go through a strip search then he handed me my clothes, and (Bend over, cough, feet, mouth, hands, ear's etc etc) walked out! I heard him say to officer mosses, he doesn't have ANY DRUGS! I heard officer mosses say what!!! he has no drugs. As I was coming out of the holding cell I could see the expression on officers mosses face was one of pure anger!

1.11 I was booked in Pierce County Jail for upcs and

## Extra sheets From statement of Facts

loitering for drug purposes with NO DRUG'S. (Possession is  $\frac{9}{10}$  of the law.) At one point I talked to my Attorney Nick Anslie DAC about this false arrest he looked it up while on the phone with him with my files in front of him told me that I had not been arrested on that date and there was no digital record of it! A few day later after talking to him it just pop's back up in my files! Attorney Anslie is a research Attorney, before he make statement, commits, advice he knows what he's talking about. Even he found this odd!

1.12 I was in 2B new jail, and the C/O came and told me that the upcs was dropped, I was being held on the drug loitering, my \$242.60 would not be seized (which they had put to the side) and my bail was 1000 C/B not the no bail hold I had before.

1.13 How do I get charged with something I didn't have, and then the charges get dropped with out them being (NCF'd) I'm sure there was a Judge involved to approve ALL these actions!

1.14 I called my mother DIANA LYNN JONES, to ask if she could come bail me out. I have three hundred dollar's on my books and I will pay her back, she said ok, but not tell tomorrow. 10-20-18 I got bailed out through Aladdin Bail Bond for 10% of \$1,000 = \$100 the Jail set my court date for 10-23-18.

1.15 On 10-20-18 is when the first Alert went out

## Extra sheet from statement of Facts

in Washington State. (Per. Chris Hansen, John Ringer and Judge Ladinburg they have been broadcasting my name Derrick Quinn Jones, as a level 3 sex offender on the run acrossed other regions Sept 2013) over multiple media outlets, using my GOD given name DERRICK QUINN JONES, and the picture of Nathaniel Quin Jones (the real level 3 sex offender wanted for all these crimes, also an army ranger part of their unit) stating that I am an level 3 sex offender on the run for RAPE, MURDER, PETUPHILIA.

1.16 I had been out of prison a total of 35 day when all this started, I got released 9-14-18 from Larch Correctional Center. Andrea Smith came to get me. I went to Ivan Jones house where Andrea was staying, Ivan knew I was coming there, in fact he said it was ok and that he would come get me from LCC on the day I got out in his Bentley. (He didn't come Andrea did) now I know why he kicked me out a week and a half later, He and others came up with the Ideal to put me on how to catch a predator. He didn't want them tracking me to his house, plus he didn't like the fact that Matija Krann Ponton loved me. His fat bitch that would never go anywhere, the one he told that they would run off together with all the money they have Scammed

Extra sheets from statement of facts

lied and cheated for. (these are his own words) they have done this before to others. however this time was different, me and Ivan went to school together and I saved his ass when were young, and Matija did something she said she would never do loved someone other then Ivan, even tho they had not been together for years and had kid's with other men and women. (I did know all this till later tho)

1.17 I left the Duxbary's apartments on 10-20-18 and went to the spot where I was arrested the day before, I took photo's of the surrounding area to show in court that there is no no loitering signs anywhere. something about the day felt different like I was being looked at by everyone, I disregarded as me being shook up from my arrest

1.18 I go to court on 10-23-18 with a friend with the full intention to show my DAC Lawyer the pictures I had taken of the area and to tell him or her for us to get ready to go to trial, as I'm walking into the court room I see TPD officer Schocough and another officer, he looked familiar, however I'm not sure from where. I know officer Schocough from prior contacts, he has arrested me at least 3 time, before me seeing him at court

## Extra Sheets From Statement of Facts

I walked into the court room, gave prosecutor Chou my name, he told me that my charges have been NCF'ed (NO charges filed) pending investigation. (They do this to keep a case open on you, to say you were under investigation for this, so they can justify them investigating you for bigger crimes and other things not related to the municipal court charges. And prosecutor Furer and Chou use this for leverage if an individual comes in again! I believe this illegal on it face, because they use this tactic clandestinely to avoid getting warrants i.e. I didn't need to get a warrant because he was under investigation for this.) (which I was not under investigation for anything I check multiple times through multiple people)

1.19 In days and the weeks to follow 10-23-18, I started to notice more and more traffic, cars and people around me and following me. I am very observant and aware of my surroundings.

1.20 In the time leading up to this MATIJA YVONN PONTON had gotten in contact with me to inform me that she had went and got our no contact order modified to a no hostile no contact order. we began talk and seeing one another again slowly. she was working and taken classes at the Church's resource center located on 7th and Tacoma ave. I start to ask myself why are the people and cars following me, what is going on, I remember NCF pending.

## Extra sheets from statement of facts

1.21 I call Matija to ask her to contact the courts for me, to see if I had any warrant or any open case that I didn't know about and to ask about the drug loitering investigation, she said OK. (this was on or around the 30<sup>th</sup> of October) She called me back within the hour and told me that I have no what's, no warrants anywhere and that there is no investigation on the drug loitering, that case and investigation is closed final, you good baby stop stressing. (believe it or not Matija knows her way around some law books and know who to contact about these type of things, if she would of focused she would of been a fornicator in a courtroom you want to go somewhere after I get off, I said yes, we went out, I don't remember where we went but as we were out I still noticed, car's following us. I didn't say anything to Matija I just kept look. (fact: up to that point the only substance I had used was cannabis and bud lights not even hard alcohol.)

1.22 I had already moved almost all of my belonging from Ivan's and was staying nights at the Duxbarys (which is owned by the Naidder Co. major share holder J.R. Smith & James Nelson (who have consented to the facts and the allowance of these acts on the properties, Rape, prostitution, off murder, gangstalking etc etc, on the properties of Cambridge Hotel, Duxbarys on 92<sup>nd</sup> South Tacoma way apartment, Lakewood and many other property

## Extra sheets from Statement of Facts

while I was there I began to hear people walking in the hallway stopping at door #101, I would see the silhouettes of individuals passing by the window. In the day time, there would be cars following me EVERYWHERE I went, they made it clear that they were following me, but not what for! I began noticing people would pull up to me look at the phones, some would point, some would shake their heads. I know now they were look at the alerts that were beginning sent out everytime I came outside (note: of fact I've NEVER HAVE RECIEVED AN ALERT ON ANY OF MY PHONES, even with ALL the ALERTS ON, in any STATE, TOWN, or CITY. Fact)

1.23 with all of this going on around me I reached out to Sterling Whitmore, to see if I could come stay with him like we talked about when I was in prison, he said ok I moved the few thing I had over to his house on 105th St. (Fact: Sterling tried to have me set up and capperd in is house he was my brother, he asked me to be his daughter GOD father and to do this to me for money and doesn't ask, tell me or confront me with it % # @ ? beep beep beep)

1.24 I stayed at the Guest house Inn with matija the tried to set me up for Rape there, I seen them outside the door, window across the street at the Roadway Inn I saw the camera crew filthing me, I showed matija, Howard Johnson Hotel Hoshmer, they had offices come, and they said that I touch Asha Ponton matija bubys dad Mike had her say that, and then she told the truth. Fife casino Portland Casino same thing. From 10-19-11 till this very moment, everywhere I've been everywhere I go, I've been <sup>and</sup> <sup>fact</sup> <sup>myself</sup> <sup>accused</sup>

I've had my name ran by the probation office in the U.S. District Court house where I signed in and am a camera, I handed my I.D. to the agent he took it with him, I heard him say to another agent (and I quote: That's him, but that's not him unquote). 2.10 John Ringer works very closely will Prosecutor Furer and Chou, in municipal court, to do things like put pending investigation on no charges filed to keep an investigation open on a person, so they can avoid seeking warrant and to lessen their paper tail. they thought that's how they were going to get away with what they are doing and have done to me.
